

# Water Dragons Club

## Entertain your children in the Crowne Plaza Hunter Valley Water Dragons Club

Water Dragons Club is a dedicated retreat for your children. Operated by a team of childcare professionals, Water Dragons Club will inspire imagination and provide hours of excitement and entertainment.

While you indulge in a massage or a round of golf, your children can enjoy an array of indoor and outdoor activities including art and craft, story telling, games and sports.

The supervised activities keep children entertained for hours, allowing time for parents to relax and experience Crowne Plaza Hunter Valley and the surrounding region.

Water Dragons Club is operated by a dedicated team of experienced and certified child carers and is open 7 days from 8am until 6pm with healthy, fun and exciting morning tea, lunch and afternoon tea options available.

Water Dragons Club is complimentary to hotel guests for all day sessions, including all meals. Saturday nights is Water Dragons Cinema Night charged at \$25 per child starting from 6pm until 10:30pm including dinner and up to 3 movies.
